

NEW MEXICO STATE UNIVERISTY - ALAMOGORDO
College Assistant Professor/College Instructor of Biology
Tenure-Track
REQUISITION #2008003072

A COMPLETE JOB ANNOUNCEMENT CAN BE VIEWED AT: <http://www.nmsu.edu/jobs.html/>

Required Qualifications: Master's degree in biology or related area. Degree must be in hand upon date of hire. Minimum of two years experience teaching lower-level, general biology lecture and lab courses. Background in environmental science and/or wildlife science and community college teaching experience preferred.

Important Characteristics: Ability to work effectively with other faculty members and the administration in maintaining an effective instructional program. Ability to teach to a diverse student body.

Teaching Responsibilities include providing 24 credit hours of instruction per year from the following laboratories/lectures: Human Biology, Natural History of Life, Botany, Environmental Science, Wildlife Science, and Zoology and coordination of all biology labs (to equal 6 credit hours per year).

Application: For full consideration, applications must be received by May 30, 2008. A complete application consists of: (1) signed letter of interest; (2) detailed resume/CV; (3) one set of post-secondary transcripts from each degree-granting institution*; and (4) a list of three references who may be contacted via telephone or email, which includes all recent former employers familiar with the candidate's abilities. Incomplete or faxed applications will not be considered.

Send to: Dr. Debra Teachman , Campus Academic Officer; New Mexico State University at Alamogordo; 2400 North Scenic Drive; Alamogordo, NM 88310.

*A photocopy of transcripts is sufficient for application; however, offer of employment is contingent upon verification of eligibility for employment in the United States, upon available funding, and upon presentation of two official transcripts of all post-secondary education. Each United State institution must be regionally accredited.
